Dear Coaches:

The Wichita Rowing Association, the City of Wichita and Wichita State University Crew invite you to attend the **19th Annual Wichita Frostbite Regatta** on Sunday, November 7, 2010. Race information and entry materials are attached to this email.

In order to facilitate registration, this year's entry form is an excel form for you to complete and return by email, along with the crew roster and Pasta Dinner confirmation. All entry information, including registration fees, must be received no later than Friday, **October 29, 2010**.

The annual regatta is on the scenic Little Arkansas River that runs through Riverside Park. The regatta is a 1.7-mile head race which can be followed in its entirety by car or bicycle if you choose.

On Saturday, November 6th, we will have our annual pasta dinner. More details to follow.

The Heskett Center is once again available for crew accommodations. The Hyatt Regency, with its great location just a few minutes from the race site, also has a special rate for this year's Regatta participants and spectators at \$79.00 + tax per room. We encourage everyone to make their accommodation plans early.
